Power of Community: More Than Memory

Power of Community is a warm and inspiring gathering that celebrates the people and partnerships that make our community thrive. This year's luncheon will take place at the scenic Ballard Elks Lodge, with sweeping views of the Puget Sound providing a stunning backdrop for storytelling, connection, and purpose as we explore the importance of building a memory-friendly community.

Guests will enjoy a catered lunch and hear powerful stories that highlight the humanity, dignity, and connection that remain beyond a diagnosis. Together, we'll raise critical funds to ensure older adults and their care partners can access meaningful opportunities for connection, creativity, and belonging while strengthening the programs and partnerships that help our community thrive.
